SHOW + TELL JOINS KIIS NETWORK WITH NEW WOMEN'S RADIO SHOW

Tuesday 19 September 2017 - ARN is excited to announce the launch of the **Show + Tell radio show**, a partnership with popular women's platform [Show + Tell](#) and iconic Australian brand AAMI.

Airing on the **national KIIS Network 9 – 10am on Saturday mornings** and hosted by [Show + Tell](#) co-founder and KIIS FM 3PM Pick Up's **Katie 'Monty' Dimond**, the Show + Tell radio show will feature **a roster of influential and inspiring Australian women.**

Emulating the online platform's successful ['On the Couch'](#) series and confessional-style news articles, the radio show will **share fun, intimate and raw chats that every woman can relate to.**

"I could not be more excited to be doing a Saturday *Show + Tell* radio show. We have built a really awesome and engaged audience online through our website, and now I get to chatter away with an awesome guest each week on the wireless too," Monty said.

"But most of all, I love that all the people who follow us online can now connect with us Saturday mornings on the radio as well," Monty continued.

ARN's National Content Director Duncan Campbell explains further: "As one of Australia's favourite websites, *Show + Tell* has conversations where very little is off limits and that content translates very well into a radio format. Coupled with its highly engaged social community, the concept is an excellent fit for the National KIIS Network," he said.

AAMI Content Producer Angela Grogan said: "AAMI creates solutions to help Australians prevent and recover from life's little (or big) mishaps," she said.

"This collaboration with *Show + Tell* and the national KIIS network allows us to align with two fun and refreshing brands that create engaging content to inspire Australian women to look after the things they love, including themselves and their families."

Known for her frank, fresh opinions and sense of fun, **Monty** co-founded the successful online platform *Show + Tell* in 2013 alongside friend and television and radio producer **Brooke Bayes**, as well as editorial director **Stacey Sullivan**.

The trio created the online platform as a positive space for women to find the ever-elusive balance of motherhood, career, love and friendship.

The popular *On The Couch* series has become synonymous with *Show + Tell's* success and has seen the likes of popstar **Dannii Minogue**,

model **Megan Gale** and TV presenter **Lisa Wilkinson** open up about their stories of motherhood, work and lifestyle in candid and personal interviews.

***Show + Tell* will run on the KIIS Network 9-10am Saturdays from October 7, 2017 for 11 weeks. The show will be broadcast on KIIS 1065 Sydney, KIIS 101.1 Melbourne, 97.3FM Brisbane, and MIX 102.3 Adelaide.**

ABOUT ARN

ARN is one of the leading broadcasters in the country with ownership or investments in 12 radio stations nationwide. Its network brands KIIS and Pure Gold, along with iHeartRadio and The Edge, entertain and influence over four million listeners across Australia.
