

HT&E APPOINTS ANGELA EWERS AS NEW CHIEF PEOPLE OFFICER

Wednesday, October 21st, 2020 – HT&E today announces **Angela Ewers** has been appointed to the newly created position of **Chief People Officer**.

Angela will commence her new role in November, based in Sydney, where she will lead both HT&E and ARN's People & Culture function to support growth and ensure ARN is not just Australia's number one radio and digital audio business, but also one of the best places to work.

The new position will also see Angela join ARN's Executive Leadership Team.

Of the appointment **HT&E's CEO Ciaran Davis** said, "This newly created role of Chief People Officer is pivotal in HT&E's strategy to increase performance and improve capability, as we continue our transition as Australia's leading Radio and Digital Audio provider. Angela will bring her expertise, innovation and dynamic approach to bolster ARN's position as a high performing, engaged, innovative and inclusive business."

Of her new role, **Chief People Officer Angela Ewers** said, "I'm excited to join HT&E and be part of its ongoing growth and the transformation of the ARN business. It's great to be coming into the business at a time where there is a focus on building a future-proofed People & Culture strategy and I'm really looking forward to working with the Executive Leadership Team and business leaders to bring this to life. ARN is a vibrant business with passionate and innovative leaders who are up for creating an environment where people can thrive and do their best work."

Angela comes to HT&E with an extensive background in Human Resources at a strategic level, most recently at James Hardie Building Products as the People & Performance Director across the Asia Pacific region, and before that at Lion where she worked in a number of roles across the business. Angela has also previously held a Senior HR position with Caltex Australia Petroleum and began her career with Yum! Restaurants International.

About ARN

ARN is one of Australia's leading Broadcast and On-demand audio companies, 'Defining Audio', with ownership or investments in 12 radio stations nationwide in addition to digital entertainment platform, iHeartRadio. ARN's vision is to deliver the most complete audio offering for audiences and advertisers, and its network brands KIIS and Pure Gold, along with iHeartRadio and The Edge, entertain and influence over five million listeners each week across Australia.

Its KIIS network consists of Sydney's KIIS 1065 with Kyle & Jackie O, Melbourne's KIIS 101.1 with Jase & PJ, Adelaide's Mix102.3 with Jodie & Soda, Brisbane's 97.3FM with Robin, Terry & Bob and Perth's 96FM with Botica's Bunch for Breakfast. The National Drive Show across all stations is Will & Woody.

Its Pure Gold network consists of Sydney's 101.7 WSFM with Jonesy & Amanda, Melbourne's GOLD104.3 with Christian O'Connell, Brisbane's 4KQ with Laurel, Gary & Mark and Adelaide's Cruise 1323 with John Dean.

The Edge is available on FM as The Edge 96.ONE in Sydney and nationally via iHeartRadio and DAB+. The Edge Breakfast hosts are Mike E & Emma.

iHeartRadio, the world's fastest-growing digital service, was launched by ARN to the Australian market in 2013 and since then, the platform has had over 2.2 million downloads of the app and over 1.6 million registered users.

ARN's iHeartRadio is a free, all-in-one radio, music streaming, podcast and live events platform. In addition to being able to access their favourite music from around the globe, audiences can access their favourite stations in Australia from ARN, the ABC, SBS and Macquarie Media, as well as stations from New Zealand and the USA.

In 2020 ARN launched iHeartPodcasts Australia, providing advertisers with access to significant scale across local, global and catchup podcasts. The network quickly became Australia's number #1 podcast publisher alongside holding the #1 podcast in Australia.

ARN's suite of digital and social assets are the online home to Australia's leading radio stations, providing highly engaged entertainment content and news, complementing the on-air experience ARN's stations are best known for.

ARN is a HT&E company. For more details, head to www.arn.com.au.
